INSTANT STATISTICAL ANALYSIS FOR YOUR WEBSITE

Easily track visitors to your website with our graphical website statistics tool. Measure your website's popularity and find out where your visitors come from.

Find out about your visitors

MatrixStats provides easy-to-understand, graphical reports about the visitors to your website, including:

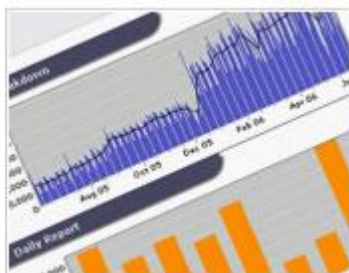

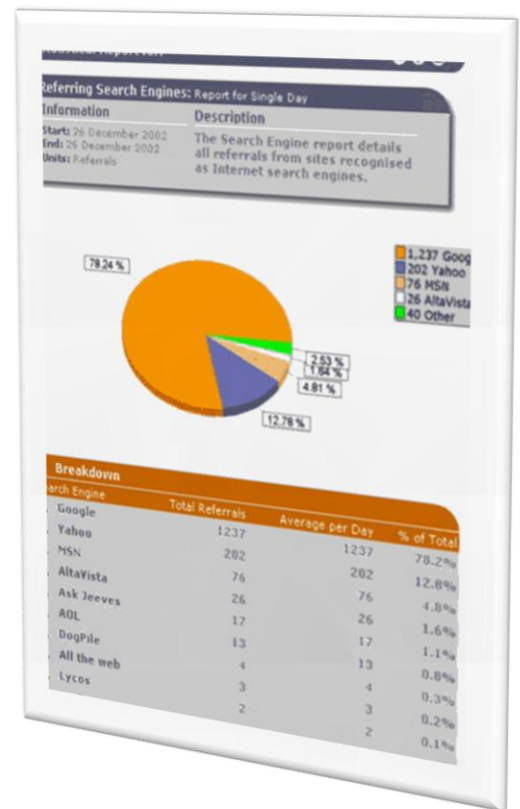

- ✓ How they found your website.
- ✓ How long they spent on your website and what pages they looked at.
- ✓ Which geographic location they come from.
- ✓ What web browser and operating system they use.

Discover how your visitors found you

Finding out where your visitors came from is the easiest way of measuring your website's popularity. MatrixStats provides you with everything you need to know, including:

- ✓ The search engines your visitors used to find your website.
- ✓ The words that visitors searched to find your website.
- ✓ Other websites that link to your site.

Get started in minutes

- ✓ There's nothing to download and no software to install; access your web stats at any time through an easy-to-use website.
- ✓ View your stats from any web browser.
- ✓ Receive regular reports by email - activate daily, weekly or monthly reports and get the latest statistics delivered directly to your inbox.
- ✓ Full documentation provided; get started immediately.

Use MatrixStats to start monitoring your website's success today!
